### REMARKS

This is response to the Notice of Non-Compliant mailed December 20, 2005, stating that a complete listing of all the claims were not present. Applicants have amended the claims to include claims 1-13, which were canceled in the Preliminary Amendment filed with the above application on January 14, 2004. Hence, claims 1-13 and 22-42 were previously canceled without prejudice or disclaimer and claims 16-18 were previously withdrawn. The only claim amended in the response filed November 18, 2005 was claim 14. Subsequent to the entry of the present amendment, claims 14-15 and 19-21 are pending and at issue. These amendments and additions add no new matter as the claim language is fully supported by the specification and original claims. Please refer to the amendment filed on November 18, 2005 for all other remarks and comments in response to the Office Action mailed August 23, 2005.
